**COMPETITION FORMAT:**

**Shamble** - All four players tee off from white tees. Choose **one** of the drives and all players may hit from that position. From this point forward all four players play the remainder of the hole with their own ball, until you hole out. This means that if there are four players in the group, there will be four scores per hole. You will not add the scores together, each player will have his/her own gross score at the end of the round (no handicaps). No cash prizes will be awarded this year. All players will be entered into a drawing to win \_\_\_\_\_

**DRAWING (TBD):**

Each person that plays golf will be given a ticket, which will be good for a drawing which will be held Thursday morning before the conference begins. You do not have to be present to win.
