\$58 per person

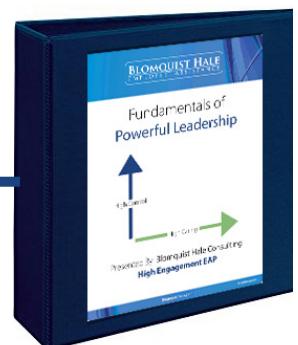

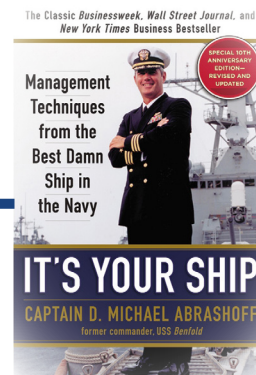

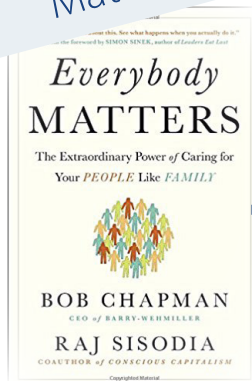

(We ask that the employer pay this fee to cover the cost of supplies for the course, which includes the participant notebook, modules and handouts, and printed (or audible) copies of two books.

**Register by
September 6th!**

The main goal of this course is to dramatically increase your effectiveness as a **person, leader**, and in **all your relationships**.

This is a personal development experience designed to create fundamental change in the way the participants influence others - at work, at home, and with others. It requires a high level of personal commitment to participate fully, complete all of the assigned homework experiences, and make firm decisions about the parts of their leadership behavior that they are determined to enhance.

Course Provided Materials

Highlights of Powerful Leadership Course
